**Kimberli Jeffery**

Member of the Board  
Canadian Business Council Abu Dhabi

Vice President Healthcare and Innovation  
KB Nordic Consulting

Kimberli (Kim) Jeffery is a Canadian born and raised healthcare professional that came to the region with the intention, like many, to stay for a short period. Twelve years, two kids, four management positions in hospitals, medical devices, and software industries, and quite a few moves later, she finds herself back in Abu Dhabi with a renewed sense of excitement for where healthcare and technology are headed in the region. She currently holds the title of VP, Healthcare and Innovation at KBNordic Consulting, and focuses mainly on bringing new and innovative technologies from The Nordic and Canadian regions, helping them to establish connections, funding, distributorship, strategy, regional representation and set up, marketing and organizational support. Other interests that this current board member would be more than happy to discuss with you include biohacking, hockey (Canadians don't feel the need to specify "ice", do we? 😊), and her love of all things fitness, especially Crossfit.
