He is standing with his arms crossed against a plain grey background.
---	---

David Laliberte is a corporate lawyer with more than 20 years of experience across the telecommunications, media and technology industries. His broad areas of expertise include corporate governance, intellectual property law, technology law, strategic planning, regulatory compliance, cybersecurity law and privacy. David also has a wealth of knowledge in the roles and responsibilities of board members having worked alongside board leadership on several public, private and not-for-profit organizations.

Throughout his career, David has held various counsel and leadership positions at organizations including Dentons LLP, Baker & McKenzie LLP, Rogers Communications Inc., BlackBerry Ltd. and Microsoft Corp. As Executive Director of Legal Affairs for Digital 14 LLC, David manages a team of six lawyers and is responsible for developing and implementing Digital14's corporate IP strategy. Until 2016, David served as Director of Intellectual Property Policy at Microsoft in Redmond, Washington, where he was responsible for driving the company's IP strategy, positioning, and engagement in several jurisdictions, including Europe, India and Canada.

David received his Bachelor of Arts, with honors, in Public Policy and Administration from York University. He went on to earn his Master of Business Administration and Juris Doctorate in Law from the University of Ottawa.
